

# Sure Stride<sup>®</sup> Directional Mats

## Specialty Mats • Indoor

Sure Stride Directional mats are adhesive-backed mats printed with an arrow to provide directional cues to customers, visitors, and employees.

- **Provides Clear Direction** – Mats can be rotated to provide directional cues in any direction
- **Stays in Place** – Adhesive backing keeps the mat flat and in place, even with heavy cart and buggy traffic
- **Hassle Free** – Mats can be left in place during daily floor cleaning; floor scrubbers, mops, and brooms will pass right over them without causing damage
- **Won't Leave Residue** – Sure Stride mats are less likely to leave a sticky residue than floor decals
- **Odor Resistant** – Anti-microbially treated for protection from odors
- **Slip Resistant** – Low-profile high-traction surface provides additional traction and slip resistance
- Will perform for up to 3 to 4 months under normal use
- Sold in case/box; 6 mats per case
